

CPD SEMINAR

Session Four 2010

ESD: SOLAR HOT WATER & ENERGY EFFICIENT WINDOWS

ArchiTeam is pleased to
present 2 hot topics:

- 1. Solar Hot Water:** There are plenty of solar hot water systems out there, which one is right for your project? How should it best be installed? What rebates are available? Mark Donaldson from *Going Solar* has the answers.
- 2. Energy Efficient Windows:** Rod Beel from *Regency Windows*, sponsors of last year's ArchiTeam Awards, talks about the latest in energy efficient window designs.

See you there!
